

# The Magic of Rotary for Families

Rotary  
Social Innovation SEH

We would like to invite you to join as a family, becoming members of our Rotary International network of 1.2 million members. Expectations of your involvement would allow you to use your time capacity in the way that suits you and your family best, by:

- ★ Visiting the Rotary Social Innovation SEH website and engaging through social media.
- ★ Getting involved when you can in our community service projects and meeting others members through work together.
- ★ Monthly get togethers, if you have the time, including special family events and projects.
- ★ When you are anywhere in the world as a Rotarian you would have friends in every port.

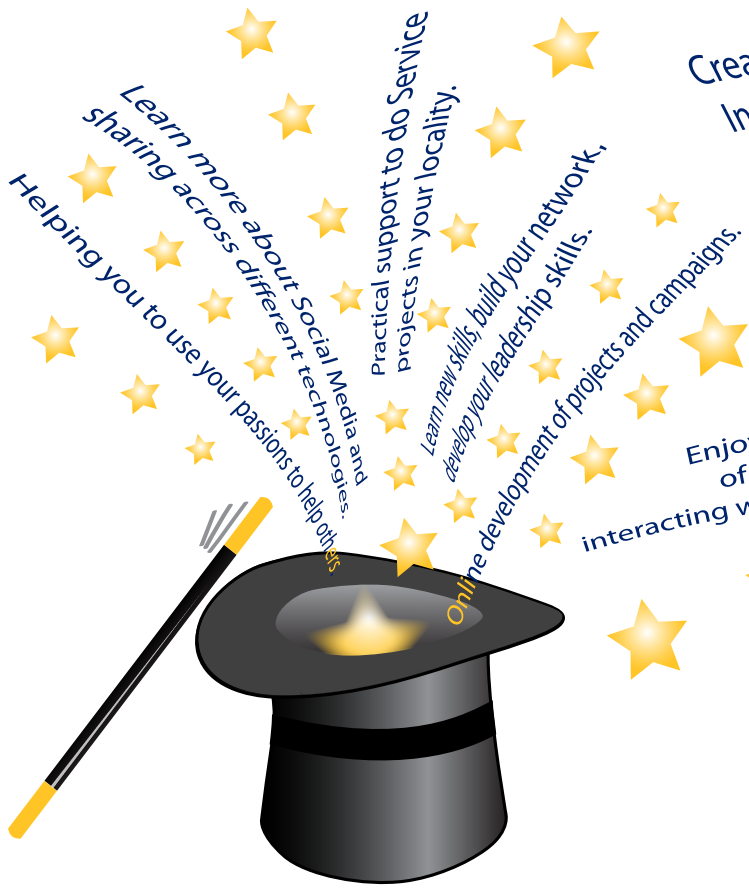

## Rotary Social Innovation SEH

The formation of innovative and flexible Rotary in South East Hampshire, for people who want to engage and help their community in different ways. Do you live in the South East Hampshire area within or around Petersfield to Portsmouth? Are you interested in making a difference in your community? Do you use Social Media? Would you be interested in helping us develop Rotary Social Innovation SEH?

Social Innovation is creating a new idea for positive impact, including social change, collaboration, using social enterprise and entrepreneurship, to create community sustainability. Using Social Innovation in Rotary we want to cut across the traditional boundaries of this organisation to create lasting change in our communities by working in partnership with others to build sustainable ways in which to approach solutions.

Rotary for the 21st Century recognises the need to engage with technology, using Social Media to connect with each other and our partners that will help with bringing about social change and impact.

**Join us to help build and support your community today.**

Create opportunities by networking across the Rotary International membership of over 1.2 million people - friends in 200 countries around the World.
