

Cooking up the solutions for sustainable and inclusive communities

Rotaract
Social Innovation

We need your passions, vision, creativity and enthusiasm to be community changemakers.

To be a changemaker, you can help identify a social problem and work with our team do something about it.

Rotaract, part of the Rotary International family for people aged 18-30, invites you to join the network to meet others who want to make a world of difference, using and developing the skills, attributes and resources within the team. There is a shared passion for building ideas, being challenged to find ways around barriers and using social media to make a difference.

Systemic approach

Addresses the root of the problem, rather than just the symptoms.

Sustainable approach

Solution designed in a positive way, rather than a one time fix.

Making it happen

Social problem identified and something positive done about it.
